We then continue towards Milna on the island of Brač, enjoying a refreshing swimming stop in a beautiful bay, weather permitting. Lunch is served on board during the journey.

In the afternoon, arrive in Milna, one of the most picturesque and sheltered harbours on Brač. Explore this charming Dalmatian town, known for its traditional stone houses and beautiful Baroque church featuring valuable paintings by Venetian artists.

Discover one of the Adriatic's most remarkable natural attractions, where sunlight creates an extraordinary blue glow inside the cave. Please note that the visit depends on suitable weather and sea conditions.

We then continue towards Vis, an island with a fascinating history as a former strategic Yugoslav naval base. For many years, the island was largely closed to visitors, helping preserve its traditional Mediterranean character.

Today, Vis offers a unique combination of authentic island life, unspoilt scenery and remarkable military heritage. Guests can explore the island and discover its history independently, including the possibility of a military-themed Land Rover Defender excursion.

Overnight in one of the harbours on Vis Island.

Upon arrival in Korčula, join a guided walking tour through the charming Old Town, with its narrow cobbled streets, historic buildings and impressive Venetian architecture. Korčula is also traditionally associated with the birthplace of the famous explorer Marco Polo.

The evening is free to explore the town at your own pace, stroll along the picturesque waterfront or enjoy dinner at a local restaurant.
